

MCCLUGGAGE VAN SICKLE & PERRY
ARCHITECTURE - LANDSCAPE ARCHITECTURE - PLANNING - INTERIOR DESIGN

September 16, 2009

To Whom It May Concern:

This is a letter of reference for Megan Stearman, who was a full time employee of our firm from June 2007 through July 2009. Megan worked on my team under my direct supervision during her entire employment.

McCluggage Van Sickle & Perry is a 50+ person commercial services firm, with a very diverse client base. During her two years of employment, Megan was assigned to a total of over one hundred projects, many of which were simultaneous assignments. These projects included new construction in all ranges of size as well as a large variety of renovation and remodel work. Clients for which Megan worked during her tenure here include national entities such as Kroger (Dillons, Kwik Shops, Turkey Hill Minit Markets), YUM! Brands, Inc. (Pizza Hut, Taco Bell, Long John Silvers, KFC, and A & W), as well as many projects for the Federal Government (Kansas Air National Guard), and local Governments (City of Wichita, City of Greensburg, Kiowa County).

Megan proved to be very proficient at multi-tasking and meeting her project deadlines. I found Megan to be very consistent in her abilities, which included impressive attention to detail, dependability, and a very strong work ethic. Her computer skills were very comprehensive, and combined with her professional appearance and demeanor, her positive attitude, and her pleasant and confident personality, Megan was a true asset to our firm.

I would be very happy to discuss Megan's abilities and strengths with you to assist her in achieving any career goals. We were very sorry to lose Megan and hope that if she ever relocates to Wichita, that she will be willing to consider rejoining our firm.

Thank you.

Sincerely,

MCCLUGGAGE VAN SICKLE & PERRY CORPORATION
